

English Theatre: The Little Mermaid

1st and 2nd Primary

Yesterday, our 1st and 2nd of Primary students had a fun time watching a play in English called The Little Mermaid, performed by Blue Mango Theatre.

Before watching the play, the pupils learnt the new vocabulary and sang the different songs. A couple students were chosen from the audience to help take part also.

They had a great time and really understood the play well. Everybody had a very happy morning watching The Little Mermaid and practicing English.
